## PRESIDENT'S MESSAGE

Hope everybody is making it through these last weeks of winter, dusting off their golf clubs, getting ready to fire-up those barbeques and looking forward to another CFL and Argonauts seasons.

On the Argos front, there are a couple new, but familiar faces. The Association welcomes and wishes every success to Joe Popp and Marc Trestman to the Double Blue. **Popp becomes the Argos' 19<sup>th</sup> General Manager and Trestman its 43<sup>rd</sup> Head Coach.**

Also, we want to express our appreciation to Jim Barker and Scott Milanovich for their efforts and contribution during their tenure with the Double Blue, delivering the 2012 Grey Cup championship for the Argos and wish them all the best in their new roles.

**It is that time again ... membership fees for 2017 are due now.** Thanks to those that have paid their dues already. Once again, Bud Fowler was the first to send his dues. If you have not paid your dues yet, would you please take a few minutes and send in your dues. Over the winter months, the Association and the Toronto Argonauts Football Club have been working on how the Association can

**assist and support the club's efforts.** For the 2017 regular season home games at BMO Field, paid members will have the opportunity to purchase season and single game tickets at discounted prices, get involved in game-day in-stadium, pre- and post-game activities and get naccess to a suite to watch two regular season home games at BMO Field. Further membership information can be found <http://argoalumni.com>

Our 6th Annual Reunion kick-offs our 2017 season and is scheduled for Wednesday, April 19, 2017 at Royal Woodbine Golf Course in Toronto. If you have not replied to the evite yet, please take a few moments and let us know if you are coming or not.

Also, our 18th Annual Golf Fun Day Tournament is set to go Monday, June 5, 2017 at Eagle Ridge Golf Course, Ridge Golf Club. Last year, it was sold-out as dozens of alumni were on hand for a beautiful afternoon of golf. **If he hasn't already, Pete Martin** will be in touch with you shortly. The reunion and golf tournament provide a terrific opportunity to re-connect with old team-

Mates as well as other alumni and have some fun.

Through the Toronto Argonauts Alumni Association Support Fund, the Association is pleased to report that it has been able to offer short-term financial assistance. To a number of former players. Your membership dues will go to bolster the fund, as it continues to be a key initiative for us. For more information about the upcoming and past reunions and golf tournaments and information about the support fund, look under [Reunion Photo Gallery](#), [Golf Photo Gallery](#) and [Toronto Argonauts Alumni Association Support Fund](#) on our website <http://argoalumni.com> Going forward, we will continue to ramp-up communication with former Argos and push membership through the Toronto Argonauts Alumni Association website. If you have not already seen it, please take a moment and check it out <http://argoalumni.com> As always, special thanks to Crista Bazos for all her efforts and hard work and keeping us up-to-date on all things Double Blue.

Thanks again for your support. Hope to see you at one of our events or BMO field this season!

Cheers,

## Jim Popp Named General Manager, Marc Trestman Head Coach

Jim Popp and Marc Trestman have been hired to lead a new era of Argos Football, President and CEO Michael Copeland announced at a media conference at BMO Field today. Popp becomes the Argos' 19<sup>th</sup> General Manager and Trestman its 43<sup>rd</sup> Head Coach.

"I am thrilled to introduce Jim Popp and Marc Trestman as the ideal leaders to bring excitement, success, and pride back to Argos football," Copeland said. "Since the start of this process, we targeted individuals who have experience in establishing winning cultures and programs. With Jim and Marc, we have hired the absolute best in the business. They are consistent winners, exceptional leaders, and fierce competitors."

As a General Manager in the CFL, Popp has won four Grey Cups (1995 with Baltimore, 2002, 2009 and 2010 with Montreal) and has appeared in 10. He ranks second in all-time wins by a GM with 254. Popp was the General Manager and Vice-President of Football Operations for the Montreal Alouettes from 1996 to 2016, and led the Alouettes to 10 first place finishes, eight East Division Championships and three Grey Cups. Named the 2011 Sports Media Canada Executive of the Year, Popp brings with him a wealth of CFL experience.

"I am honoured to join a franchise with such a rich history of winning and look forward to doing everything in my power to build on that," Popp said. "My first order of business as the Argos' General Manager was to hire a head coach that will lead us to championships. There is no one more capable than Marc Trestman to bring the Grey Cup back to Toronto. He is a proven winner, and the ultimate leader."

Trestman was Head Coach of the Alouettes from 2008 to 2012, appearing in three Grey Cups and winning two (2009 and 2010). He ranks fourth all-time in winning percentage by a head coach. He led the Als to four division titles and five playoff appearances during his five-year term. Trestman was named the 2009 CFL Coach of the Year, and in 2013 left the Alouettes to become the head coach of the Chicago Bears. He was originally brought to the CFL by Popp after a long and successful career in the NFL and NCAA in various coaching positions.

"It's an absolute privilege to be the Head Coach of the Toronto Argonauts," said Trestman. "We have a special opportunity to re-establish a winning culture for this storied franchise. I am humbled by this organization's history of winning. But most importantly, I am motivated by it. I can't wait to get started."

"From the outset, we've set our sights on playing dominant and exciting football, and winning championships," Copeland stated. "Popp and Trestman will provide the vision, experience and leadership required to reach these goals."

### CFL mourns the loss of CFL Hall of Famer—Bernie Custis

*Former Ticat was first black starting quarterback in pro football history*

It is with deep sadness that the Hamilton Tiger-Cats learned of the passing of Canadian Football Hall of Famer and former Tiger-Cat legend Bernie Custis. He was 88 years of age.

“Bernie was one of the great pioneers in our sport and our league, and he changed professional football with his courage and leadership,” said Bob Young, Caretaker of the Hamilton Tiger-Cats. “Most football legacies have a one dimensional impact, but Bernie’s universal influence on the game as a player, and his legacy in Hamilton and Ontario after his playing days, is truly legendary as a builder of the game. His elegant nature and graceful style will always be an important part of the Tiger-Cats and our entire league history.”

Born on September 23, 1928 in Washington, D.C., Custis became the first black starting quarterback in professional football history in 1951 with the Tiger-Cats, immediately earning all-star status in the Inter-provincial Rugby Football Union, the forerunner of what is today the East Division of the Canadian Football League. In 1952, Custis moved to halfback and played three more seasons with the Tiger-Cats, winning a Grey Cup championship in 1953 before joining the Ottawa Roughriders where he would finish his playing career in 1955.

Custis returned to the Hamilton area and went on to a sterling coaching career at the junior, college and university levels. Highlighted by his appointment as an educator and head coach of the McMaster Marauders from 1981 to 1988, he also won numerous junior football championships as a coach. Inducted into the Canadian Football Hall of Fame as a builder in 1998, Custis is also a member of the McMaster University Hall of Fame, the Syracuse University Athletic Hall of Fame, and was honoured by the CFL in 2015, winning the Commissioner’s Award given annually to an individual or group that has made an outstanding contribution to the development of football in Canada.

A star quarterback at Syracuse University in 1948, 1949 and 1950, Custis set numerous school records that would last for decades. Drafted by the Cleveland Browns in 1951 – at a time when there were no black quarterbacks in the NFL – Custis came to Canada looking for an opportunity to play the position he loved. It was a path followed over the year subsequent years by several U.S. college stars, including Warren Moon, who had starred at the University of Washington, and Chuck Ealey, who was undefeated at the University of Toledo.

# ARGOS MOURN THE PASSING OF DARRELL K. SMITH

[www.argoalumni.com](http://www.argoalumni.com)

TORONTO – The Toronto Argonauts Football Club is mourning the loss of former receiver Darrell K. Smith, who passed last night at the age of 55.

Smith played 112 games over seven seasons (1986-92) with the Argonauts. The Youngstown, Ohio, native hauled in 465 passes for 8,144 yards and 52 touchdowns while adding 84 kick returns for 1,139 yards with the Double Blue.

**“Darrell was an electrifying player who captured the hearts of our fans, etched his name in the Argos’ record book, and helped lead us to our Grey Cup Championship in 1991,” said Michael Copeland, President & CEO for the Argos. “He will be forever remembered as one of the Argos’ all-time great receivers. On behalf of our fans and our entire organization, we send our deepest condolences to Darrell’s friends and family.”**

Darrell finished his career ranked among the Argos all-time leaders in a number of categories, many of which still stand today. The two-time CFL All-Star and 1991 Grey Cup Champion is still the club’s all-time leader in consecutive games with a reception (96), single-season touchdowns (20) and average yards per catch (17.5), and ranks second all-time in career and single-season 200-yard receiving games (2), third in 100-yard receiving games (25) and receiving yards in a single-season (1,826), and fifth in receiving touchdowns (111) and combined yards (9,374).

The star wide receiver was a cherished team member and close friend of Argos great, Michael “Pinball” Clemons, who remembers him fondly.

**“Darrell K. Smith was everything you think of when you speak of superstar wide receivers. His play was scintillating, his confidence overflowing and his competitive spirit undeniable,” said Clemons. “Today we celebrate his life and appreciate his contributions, both on and off the field. Beyond his confidence, I remember his laugh and the scream he would let out just before gametime that let us all know it was time to play. More humanely, he was smarter, kinder, and more thoughtful than most of us had a chance to see.”**

### Testimonial

*"As I read about the effects of concussions that occur in the sports world, I am growing increasingly concerned about what, if any damage my brain may have sustained and what measures are available that may reverse or slow down any ill-effects. Participating in this study has given me new insights and tools to strengthen and improve how my brain functions. I highly recommend investing in this worthwhile activity."*
